

St. Michael's School

School Plan

2021-2022

INTRODUCTION

St. Michael's School opened its doors to students in 1965. In 1968 the addition of a gym and east wing was constructed. Further expansion included the completion of our drama facility and one classroom in September 2000. In 2010 two new modular classrooms were added to the east wing and another in 2012 to accommodate our increased enrollment. St. Michael's is the designated school for students from NW Crescent Heights, areas of NE Crescent Heights, Riverside and Redcliff. Currently our school has a population of 150 students from Early Learning to grade six. In addition to our instructional hours, St. Michael's offers an Out of School Care Program with before and after school hours which is housed in our school gymnasium and stage area.

MESSAGE FROM OUR PRINCIPAL

St. Michael's School is the dedicated Fine Arts Focus Elementary school within the Medicine Hat Catholic Board of Education. This year grades 3-6 are experiencing five weeks in each of the following disciplines of fine arts: drama, choral, instrumental, art, dance and performance arts including juggling, choral speech, or black light theatre. This exposure focuses on process not performance and allows all of the students to become involved. Grades 1 and 2 already have art, choral and instrumental in them, but we are pleased to include drama and dance there as well. Special emphasis on the fine arts and their integration throughout the curriculum

develops creativity, personal initiative, growth in self-esteem and encourages a desire for life-long learning.

Our school also offers an education based on the traditions of our Catholic faith that is both a preparation for life and a way of living out the Gospel message in all that we do. Catholic Education is extremely important as it provides for the physical, intellectual, emotional and spiritual development of every child. Cooperation among families, school staff and our parishes within St. Michael's community is demonstrated by a commitment to the school mission.

MEDICINE HAT CATHOLIC BOARD OF EDUCATION

Medicine Hat Catholic Board of Education is a publicly funded school division with over 2600 students in 9 schools: 6 elementary schools, 2 junior high schools and 1 high school.

Medicine Hat is located in Southeastern Alberta and is known as communities of choice. Also known as the sunniest city in Canada, Medicine Hat offers a low cost of living, many amenities and is an ideal place to raise a family.

Our school division ensures the integrity and enhancement of Catholic education. We are a faith-based community that strives to inspire and prepare our students to pray, to learn, to work, to live fully and serve God in one another. Our schools are immersed in faith, offering liturgies, masses, and many celebrations throughout the school year including "Faith Development Days" that enrich the lives of students, our parents and our staff.

Our division offers quality Catholic education with a focus on academic achievement and success for all students.

Our schools operate as professional learning communities through school success teams that promote effective schools in safe and caring environments. We offer strong core academic programming, diverse and inclusive fine arts programming, French immersion, comprehensive co-curricular programming and academy programming in fine arts and sports.

MISSION, VISION AND VALUES

Our Mission

In partnership with family, church and community, we provide Catholic education of the highest quality to our students.

Our Vision

A gospel-centered community committed to learning excellence, Christian service, living Christ.

Our Motto

"Showing the Face of Christ to All"

Our Principles of Practice

In our ministry we are called, always and everywhere, to:

- Model Christ
- Prayer
- Service
- Strive for Excellence

Our Values

We believe that Catholic education is a ministry that is at the heart of the church.

In our ministry, we value and celebrate:

- Teaching and living our Catholic faith.
- Our Catholic traditions.
- Our ability to offer a full range of educational programs for all students.
- The uniqueness of each child.

What do Medicine Hat Catholic schools represent?

**Staff, students and families working together,
under our faith, with quality education as our foundation.**

ASSURANCE

Assurance in the education system happens when community members, system stakeholders and education partners engage across five domains:

1. Student Growth and Achievement
2. Teaching and Leading
3. Learning Supports
4. Governance
5. Local and Societal Context

For the purposes of this document, a domain is an area of activity where education partners have specific responsibilities that they are accountable for and provide assurance about.

Fundamentally, assurance is reflected in what the public understands, perceives and knows about student growth and achievement, where the quality of the daily interaction between teacher and student is paramount. Assuring the public that the education system is successfully supporting student growth and achievement requires engagement and thoughtful action across all five domains.

Student growth and achievement is the primary purpose of the education system and is the core outcome domain for the assurance framework. The domains of Teaching and Leading, Learning Supports and Governance support and enable Student Growth and Achievement. Local and Societal Context, while a separate domain, operates across and is integrated into the others. For the purposes of description, the domains are considered discrete and separate.

However, in practice, they overlap and are interconnected and interdependent, as depicted in the graphic below:
